Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Thursday 12 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Plenty of fine weather but potential for some light rain.

Today:
Lots of fine and dry weather expected, but a band of low cloud expected to push in from the west around midday. Cloud expected to break in the evening, leaving many with sunny spells. Maximum temperature 22 deg C (72 deg F).

Tonight:
A clear and dry night expected for most, but chance of some light isolated showers. Feeling cool with light winds. Minimum temperature 12 deg C (54 deg F).

Friday:
A largely fine and dry day expected but plenty of cloud with the potential for light isolated showers. Feeling warm. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Fine and dry conditions expected on Saturday, although cloudy at times. Potential for some light but persistent rain on Sunday, with a chance of longer spells of rain on Monday.
